**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

USTelecom is lying.

As a DSL broadband user, a competitive and truly free internet is vital to me. Fair pricing and unhindered access is essential for my family and my education, health and emotional well-being, three things which today directly affect our civic duties.

Please maintain our current choices for all our freedoms.

Thank you!
